This map shows the Congressional and Legislative Districts ordered by the Minnesota Supreme Court Special Redistricting Panel in the matter of Zachman v. Kiffmeyer, case # C0-01-160, on March 19, 2002, as corrected under *Minnesota Statutes* 204B.146, subd. 3. Districts are updated regularly and are current as of the date above. Base data and features used on this map are derived from data files prepared by the U.S. Census Bureau and The Lawrence Group. Boundaries for unorganized territories shown on this map are based on precinct boundaries and may differ from those used by the Census Bureau. Only those municipalities with multiple precincts have precinct labels. House districts that fall in the same Senate district use different shades of the same color.
