See below if you do not have any of these numbers.

The MN "Presidential Only" absentee ballot is available to a voter who has moved from MN to another state within 30 days of the Nov. 3rd election date AND cannot satisfy the **registration requirements to vote** in the new state.

1 Vote!

- Mark your votes in private.
- Follow the instructions on the ballot.
- Do not write your name or ID number anywhere on the ballot.
- Do not vote for more candidates than allowed. *If you do, your votes for that office will not count.*

See the other side if you make a mistake on your ballot.

2 Seal your ballot in the tan ballot envelope

- Do not write on this envelope.

3 Put the tan ballot envelope in the white signature envelope

4 Fill out the white signature envelope completely

- If there is no label, print your name and former Minnesota address.
- Print your e-mail and phone number (optional).
- Print your Minnesota driver's license number, Minnesota ID card number, or the last four digits of your Social Security number.

Be sure to use the same number that you provided on your absentee ballot application.

If you do not have any of these numbers, check the box.

- Read and sign the oath.
- Seal the envelope.

5 Put the signature envelope into the larger white return envelope to protect your private information from view

6 Return your ballot so it is postmarked on or before Election Day (Nov. 3) to the address on the return envelope

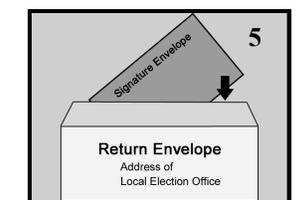

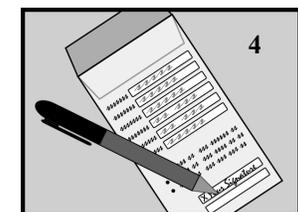

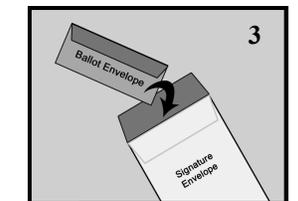

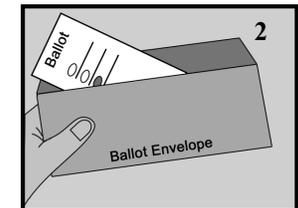

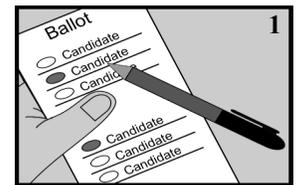

Ballots may not be delivered to your polling place.

You have three options:

- Send it so it is postmarked by Election Day, using U.S. mail or a package delivery service, and is returned to the absentee voting office within 7 days of the election.
See Insert for Important Details regarding Returning your Voted Ballot
- The U.S. Post Office recommends allowing for six (6) business days for mail delivery within the U.S.
- Deliver it in person before election day or by 3:00 p.m. on Election Day, or
- Ask someone to deliver it by 3:00 p.m. on Election Day.

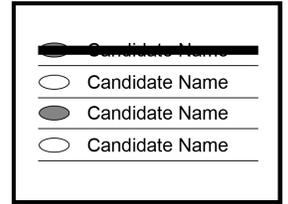

See the other side for special instructions if you have a disability.

Correcting a mistake

- If time allows, ask for a new ballot from your election office. Contact your election office at [e-mail] or [phone number], or
- Completely cross out the name of the candidate you accidentally marked and then mark your ballot for the candidate you prefer (do not initial your corrections).

If you have a disability:

If you have a disability or cannot mark your ballot, another person may assist you by marking your ballot at your direction, assembling the materials, and filling out the forms for you.

When signing the envelope, Minnesota law says you may:

- Sign the return envelope yourself, or
- Make your mark, or
- Ask another person to sign for you in your presence. (Have the person sign their own name as well.)
- If you have adopted the use of a signature stamp for all purposes of signature, you may use your signature stamp or ask another person to use your signature stamp in your presence.

Minnesota Statutes, section 645.44, subdivision 14

Please note: Voting is not covered by a power of attorney. A person with power of attorney may only sign for you in your presence, as outlined above.

Confidentiality Notice: If your ballot envelope is accepted, your name and address is available to the public upon that acceptance, when used for elections, political and law enforcement purposes. Otherwise, the data you supply on your signature envelope is restricted to election officials until 8:00 p.m. on Election Day. After that time, your envelope and the data on it, other than your identification number, are public information. Your ID number is required to ensure that the ballot is returned by the same voter who applied for it. You may refuse to provide it, but doing so may lead your absentee ballot to be rejected and will prevent you from checking on the status of your absentee ballot online.
