Everything Pawn SBC is a specialty benefits corporation that was created and designed to help the owners of pawnshops and jewelry stores who do loans. These industries are in decline and are facing hard times. 16,000 owners are at risk of having to close their doors over the next 5 years due to many changes in the way people do business and the resources and training that is available to them. Everything Pawn has created a platform and a system to provide all of the tools, training, services, advice and more that these businesses need to succeed all in one place and available to all these business owners. Nothing like this exists currently and it will revolutionize the industry.

The organization was created in 2019 but was not launched until after the new year in 2020. The online format was created in that timeframe and was being tested thoroughly until February of 2020. We will be ready to fully launch this initiative by April 1, 2020. We will then be able to service this entire industry!
