

VOTE EARLY BY ABSENTEE BALLOT

////////////////////////////////////
In Minnesota, you don't have to wait until Election Day—vote early with an absentee ballot!

VOTE EARLY IN PERSON

You can cast an absentee ballot at your local elections office starting 46 days before Election Day. Visit mnvotes.org for hours and locations.

VOTE EARLY BY MAIL

You can also apply to have an absentee ballot sent to you in the mail. You must return your ballot by Election Day.

- ① Apply for a ballot any time during the year at mnvotes.org. Election officials will send voting materials once ballots are available (see back for dates).
- ② Read the instructions that come with your ballot carefully! Your ballot will not count if you do not complete all the forms.
- ③ You will need a witness when you vote and complete your ballot. The witness can be either a registered Minnesota voter or a notary. Your witness must sign the signature envelope and list their address. Due to COVID19, there is no witness requirement for registered voters for the August 11, 2020 State Primary. Non-registered voters will still need a witness, to indicate their proof of residence.

VOTE EARLY BY ABSENTEE BALLOT

④ If you are not registered to vote, you will get a registration application in your materials. To register, show your witness one of the identification options listed in the instructions. Your witness must mark which ID you showed them on your signature envelope.

⑤ After you finish, mail the ballot and forms back right away. Your ballot will not count if it is received after Election Day. You can also return your ballot in person to the elections office that sent your ballot. For the August 11, 2020 State Primary, your returned ballot must be postmarked on or before Election Day and received by your county by the day before the county canvass, which may take place on the second or third day following the election

TRACK YOUR BALLOT
