NOTES ON THE CALENDAR

Updated 1/27/2021

This calendar lists important election dates related to the 2021 Election Cycle. Date entries include citations to Minnesota Statutes or Minnesota Rules. Minnesota Statutes and Rules are available online at the [Office of the Revisor of Statutes](https://www.revisor.mn.gov) webpage (https://www.revisor.mn.gov). In all matters, Minnesota Election Law is the final authority, not this calendar. Changes to Minnesota Election Law enacted by the Minnesota State Legislature in 2021 may alter dates or other information on this calendar. For the most current version of this document please check the [Secretary of State's Election Calendar](https://www.sos.state.mn.us/election-administration-campaigns/election-administration/election-calendars/) webpage (https://www.sos.state.mn.us/election-administration-campaigns/election-administration/election-calendars/).

This calendar is not intended to provide legal advice and should not be used as a substitute for legal guidance. Readers should consult with an attorney for advice concerning specific situations.

Geographic Definitions:

- Metro Towns (M.S. 200.02, subd. 24): Towns located in Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Ramsey, Scott, Sherburne, Washington, and Wright Counties.
- Metropolitan area (M.S. 473.121, subd. 2): The area over which the Metropolitan Council has jurisdiction, including only the counties of Anoka, Carver, Dakota excluding the cities of Northfield and Cannon Falls; Hennepin excluding the cities of Hanover and Rockford; Ramsey; Scott excluding the city of New Prague; and Washington.

Calculation of Dates:

Dates on the 2021 Minnesota Election Calendars are calculated in the following manner, pursuant to M.S. 331A.08, subds. 1-2; 645.13-.15; and .151: When counting the number of days before an election or other event, the day before the event is the first day counted. When counting the number of days after an election or other event, the day after the event is the first day counted. When the last day falls on a weekend or legal holiday, that day is usually omitted from the computation.

Note: When Minnesota Election Law requires that a jurisdiction's administrative action be taken on or before a date that falls on a weekend, this calendar usually uses the previous Friday date to ensure timely action.

Relevant law on the calculation of dates:

- 645.13 Time; publication for successive weeks.
When the term "successive weeks" is used in any law providing for the publishing of notices, the word "weeks" shall be construed as calendar weeks. The publication upon any day of such weeks shall be sufficient publication for that week, but at least five days shall elapse

Office of the Minnesota Secretary of State

between each publication. At least the number of weeks specified in "successive weeks" shall elapse between the first publication and the day for the happening of the event for which the publication is made.

- 645.15 Computation of time.

Where the performance or doing of any act, duty, matter, payment, or thing is ordered or directed, and the period of time or duration for the performance or doing thereof is prescribed and fixed by law, the time, except as otherwise provided in sections 645.13 and 645.14, shall be computed so as to exclude the first and include the last day of the prescribed or fixed period or duration of time. When the last day of the period falls on Saturday, Sunday or a legal holiday, that day shall be omitted from the computation.

- 645.151 Timely delivery or filing.

When an application, payment, return, claim, statement or other document is to be delivered to or filed with a department, agency or instrumentality of this state or of a political subdivision on or before a prescribed date and the prescribed date falls on a Saturday, Sunday or legal holiday, it is timely delivered or filed if it is delivered or filed on the next succeeding day which is not a Saturday, Sunday or legal holiday.

- 331A.08 Computation of time.

Subd. 1. Time for publication. The time for publication of public notices shall be computed to exclude the first day of publication and include the day on which the act or event, of which notice is given, is to happen or which completes the full period required for publication.

Subd. 2. Time for act or proceeding. The time within which an act is to be done or proceeding had or taken, as prescribed by the rules of procedure, shall be computed by excluding the first day and including the last. If the last day is Sunday or a legal holiday the party shall have the next secular day in which to do the act or take the proceeding.

Special Elections Uniform Election Dates

- There are now only 5 uniform election dates on which counties, cities, towns and school districts may hold special elections. These dates fall within the months of February, April, May, August and November. Towns with March general elections may hold special elections for vacancies or questions on the March election date as well.
- Timelines for items such as candidate filing notices, candidate filing periods, canvass board meetings and contest/recount periods have been excluded from the February, April and May uniform election dates because there are too many variables; jurisdiction holding the special election, the type of special election and if the election "standalone" or held "in conjunction" with another jurisdiction.
- Timelines that are universal to all jurisdictions, standalone or those held in conjunction and types of special elections are included.
