

2022 General Election for MN Senator

Winning Margin by District Unofficial Results

Unofficial results as of November 14, 2022.

Margins reflect the difference between the first and second place vote percentages, except in districts where only one DFL or Republican candidate filed. In districts 1, 21, and 22, no DFL candidate filed. In districts 43, 46, 59, 60, 61, and 67, no Republican candidate filed. In those districts, the percentage reflects the percentage of votes cast for the winning candidate.
