OFFICIAL ABSENTEE BALLOTING MATERIAL— FIRST CLASS MAIL

No Postage Necessary in the U.S. Mail - DMM703.8.0

To: Joseph T. Overseas
USS Cochrane (DDG-21)
FPO AP 96543-1234

A large rectangular box with a solid black border. The top edge of the box is replaced by a dotted line that forms a shallow V-shape, indicating where the envelope flap would be. The text is centered within the box.

Read and follow the enclosed instruction sheet to help ensure that your vote will count.

Transmittal Envelope for UOCAVA Absentee Ballots

Minnesota Rules Citations

M.R. 8210.0050:

- All materials mailed in connection with absentee voting must bear official United States Postal Service Election Mail insignia
- All absentee voting envelopes must bear a legend indicating the ballot category enclosed, in no smaller than 8-point type. The category is military/overseas.

M.R. 8210.0400:

- Return address section of envelope must include phone number and email address that voters can contact for help with absentee voting. Note: This requirement is for mail out UOCAVAs. Electronically transmitted UOCAVAs must include the information as part of the cover letter sent to voters.
- “ Read and follow enclosed instruction sheet to help ensure that your vote will count. “ must be printed on the envelope.
